February 2012-Peru

Our Team

RMO joined Pastor Dennis and Charmian Arevalo in Peru for outreaches to Pachacutec in Ventanilla and Pamplona Alta in San Juan de Miraflores as we gathered information on the future of RMO in Peru. We saw many make new decisions for Jesus Christ. We were blessed with gracious hospitality, laughter, and wonderful food. Guinea pig was-well...interesting. Picture of that meal next month.

Homes

Mountains are full of houses with awesome views. The sad part is knowing some children spend all day getting water to the house and do not have time to learn and attend school. We take for granted our running water and electricity at a moments notice. They have no indoor plumbing. Sleep walking would be difficult.

Mountain Homes

RMO's vision is to treat patients, pray with patients, and give medication. We did all that and more.

Pastor's Grandmother and Mother

Pastor's Grandmother is 95 years old and still going strong. She is a wealth of HIS word. She is an evangelist 24/7. The Holy Spirit is powerful in her. She quotes whole psalms and books of the Bible. She is one of God's true warrior's that never stops.

Road to Clinic

The people are very hard working and put in long days. The police presence was evident in many places keeping control.
